

Sunnybrook Christian School

Preparing Today's Students for Tomorrow's Challenges

Dear Parent,

Thank you so much for your interest in Sunnybrook Christian School. We are a Christ-centered school serving *actively involved* Christian families from many different churches in the area. We are pleased to give you more information about our school. We are very excited about how the Lord is using our school to serve this community and the area.

In pursuing excellence in our Christian academic program, we have found it helpful to outline the application/acceptance process for prospective parents and students:

Enclosed you will find a **Request for Enrollment** form. The questionnaire for each child and family is individually reviewed by the school board to determine whether the process of enrollment may begin. Filling out the enclosed questionnaire and returning it to us as soon as possible is the first step in the application process for acceptance into Sunnybrook Christian School. The family enrollment fee must be paid at the time of submitting this Request for Enrollment. (If enrollment is denied, the fee is refunded).

As stated above, we serve *actively involved* Christian families. Once the board approves your Request for Enrollment, we will then require a letter from your local pastor as the second step of the application. This letter should refer to your family's involvement in your church and how you serve there.

Finally, we academically screen every incoming student in the application process. This includes obtaining a copy of all previous school records and an on-site academic screening, which is a test we administer at the school to determine your child's needs for the school year.

Provided your child is approved through the application process and accepted as a student in the school, we will also need a copy of his/her immunization records and, for Kindergarten and 1st grade students, a copy of their birth certificate.

We have enclosed an **Information Brochure** about our school that includes our tuition and fees. We look forward to receiving your completed Request for Enrollment form, which starts your application process. We hope to partner with you in your God-given responsibility to "train up" your child. Feel free to call our office at any time if we can be of help to you. We desire to answer any questions you may have about your application process to Sunnybrook Christian School.

In His Service,

Dr. Matt Miles, Principal
